Policy Statement

Under the Education and Care Services National Regulations, an approved provider must ensure that policies and procedures are in place for the payment of fees and the provision of a statement of fees charged by the service and take reasonable steps to ensure policies and procedures are followed. (ACECQA, 2026).

Quality early education and care provides the foundation for children's development and social engagement whilst supporting workforce participation of parents and carers. Our Service is committed to providing quality education and care to all children at an affordable fee for families.

As an approved early childhood education and care service, Child Care Subsidy (CCS) is available to reduce fees to eligible families. Our fee structure is based on our ability to provide the requirements of the Education and Care National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook.

Purpose

For parents to gain a clear understanding of the Service fee structure, payment requirements and Child Care Subsidy benefits prior to enrolment. This policy explains the process of fee payment and the necessity of ensuring children's fees are paid on time and consequences for failure to pay fees on time.

Scope

This policy applies to children, families, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of the Service.

Implementation

Our Service aims to ensure families understand the fee schedule and payment process required for education and care to be provided for their child. We have effective compliance systems in place to ensure CCS is administered appropriately and receipts and statements are provided to families. Our Service ensures the confidentiality and privacy of all personal information provided to the Service about the enrolled child and family. We are committed to ensuring that children's safety, rights and best interests are the paramount consideration in all decisions, actions and practices including those relating to the payment of fees, recognising the importance of continuity of education and care for all children.

- Families will be issued with a fee statement on a weekly basis under the fee payment and Regulatory requirements. Current Statement can be viewed live by the families via the Kidsoft App.

Financial difficulties

If a family is experiencing financial difficulties, a suitable payment plan may be arranged with authorisation of the approved provider.

Failure to pay

If a family fails to pay the required fees on time, a reminder letter will be issued after one week and then again after two weeks if the fees are still outstanding. A child's position will be terminated if payment has not been made after three weeks, for which the family will receive a final letter terminating the child's position. At this time, the Service will initiate its debt collection process, following privacy and conditional requirements.

Debt recover procedure

- If a family fails to pay the required fees on time, a reminder letter will be issued after one week and then again, after two weeks if the fees are still outstanding

- At any time of the debt recovery process the family will be encouraged to enter a debt agreement with the Service to repay outstanding fees. A written contract will be provided for the family to sign outlining repayment plan details. The repayment plan will provide information as to the duration and amount of the repayments as well as steps that will be taken if the repayment plan is not adhered to
- A child's position will be terminated if payment has not been made after three weeks, for which the family will receive a final letter terminating the child's position. At this time the Service will initiate its debt collection process, following privacy and conditional requirements.

- It is unacceptable to pick children up late from the Service. A late fee will apply where children are not picked up before closing time. Currently, a fee of \$15.00 for the first 10 minutes will be charged and \$15.00 for every 10-minute block.
- A review of the child's enrolment will occur where families are consistently late with fee payment.

Prescribed and non-prescribed third-party payments

Parents are generally liable to pay the co-contribution for fees. State and territory governments (and their agencies) can contribute to the cost, in part or full of early education and care fees for families with no impact on CCS payments (in some circumstances).

Where an agreement has been made between an employer or charity to assist in the contribution of fees, fees must be reduced accordingly before CCS has been applied, these will be recorded and submitted as non-prescribed discounts. Our Service will record all documentation regarding any third-party payments and submit reports to the Department as part of session reports.

Staff discounts

Our Service offers educators and cooks a staff discount for children that attend our Service, after CCS has been applied. The staff discount applies to employees who are employed, contracted or engaged to work with our Service as an educator, early childhood teacher or cook. The approved provider will report any prescribed provider-funded discount when submitting and updating session reports.

Centre directors are eligible to receive the staff discount if they hold an early childhood education and care qualification and are working at a Service. The staff discount is calculated at 75% of full-service fees after CCS has been applied and does not affect CCS eligibility. (Department of Education – [Discounted care for early childhood workforce](#)). (Staff must continue to pay at least 5% of the gap fee).
